Proposal, to enhance the grant to Rs 30/- pm Charities have to be supported more by individual public subscriptions and it would not be correct for civic bodies to give anything more than token grants because they have other obligatory duties to perform. Mysore City is asking for a big loan for improving the water supply of the city. If that scheme goes through, all their efforts for the next 15 years will have to be concentrated on effecting economies and repaying the loan

Subject Enhancement of the grant to the Mysore City Poor Students Feeding Committee

---

Adverting to G O No 6802-3/CM 22-52-3 dated 11-8-1952, sanctioning the payment of a grant of Rs 250/- p m to the above committee, I write to state that the Mysore City Poor Students Feeding Committee found that subscriptions from the philanthropic gentlemen in the city have dwindled on account of the tightness in the money market and felt it difficult to arrange for feeding all the students who have been selected for the same at the commencement of this academic year. They therefore requested the Council in their resolution No 11/21-6-1952 to enhance the present grant to Rs 500/- p m As the finances of the Municipality and the commitments thereof did not permit of granting the request fully, the Council have resolved to enhance the present grant of Rs 250/- to Rs 300/- p m

In enclosing a copy of the resolution of the Poor Students Feeding Committee, Managing Committee and the Council in this behalf, I request you kindly to obtain orders of Government for payment of the Municipal grant to the Mysore City Poor Students Feeding Committee at Rs 300/- p m with effect from 1-4-1952, the extra cost involved being met from the savings in the Budget provision under 'H3-E Miscellaneous "

Sir,

Subject - Enhancement of the grant to the Mysore City Poor Students Feeding Committee

---

As desired in your letter No L 11111 dated 11-10-52 I enclose herewith a list of students who are fed by the Committee at present and also the classes in which they are studying. The usual number of students that were being fed every year was 100 or more and the same had to be limited during the current year for want of funds at the credit of the Committee. The Committee are anxious to make provision for more students as usual but are unable to do so on account of paucity of funds They have even now the idea of providing for more students before the close of the academic year as and when funds permit

In these circumstances, I request that orders of Government may be kindly obtained sanctioning the resolution of the Council to pay a monthly grant of Rs 300/- P M to the Committee.

Yours faithfully,

(F M Abdul Rahim)

Subject: Enhancement of the grant to the Mysore City poor Students Feeding Committee.

Sir,

With reference to your letter No. C2 PR 44/52-53 dated 25-11-52 on the above subject, I am directed to state that the contribution of Rs 250/- p.m. now being paid to the institution as a Subsidiary one. Charities have to be supported more by individual public subscription and it would not be correct for local bodies to give anything more than token grants because they have other obligatory duties to perform. Also a big sum is being asked for towards the scheme of

improving the water supply in the city and if this should go through all efforts for the next 25 years will have to be concentrated on effecting economies and lessening the cost. Hence the proposal for paying enhanced grants to poor students' feeding Committees will not accord to Govt.
